Los Angeles Sports &
Entertainment Commission

We are pleased to present our 2025 Los Angeles Sports & Entertainment Commission (LASEC) Major Sports & Entertainment Events Calendar. With a growing number of major events held throughout the calendar year, it's easy to lose track of the dates and locations. This calendar is designed to help you with planning for the future.

The calendar includes events happening both in Los Angeles and major out-of-town events (like the Super Bowl and the U.S. Open). For easy use, this calendar includes a list by name of the events we are tracking and is also sorted by month, so you can easily check to make sure you aren't planning an event on a date that is already taken. We plan to update the calendar each year, so please do not hesitate to share feedback or make recommendations to help make this a more useful tool in the future.

Founded in 1995, the Los Angeles Sports & Entertainment Commission (LASEC) serves as the non-profit organization officially designated to attract, secure and support high-profile sports and entertainment events in Los Angeles. For the past 30 years, LASEC has focused on securing major events that create a positive economic, cultural, and social impact that endures far beyond the field of play.

The Los Angeles region now approaches a stretch of major sports events unmatched by any other destination as we prepare to welcome a record seventh NBA All-Star in 2026, the 2026 Women's U.S. Open Championship, eight matches for FIFA World Cup 26™ including the highly anticipated U.S. Men's National Team Opening Match, Super Bowl LXI in 2027 for the second time this decade and the 2028 Olympic & Paralympic Games—L.A.'s third time hosting the Olympic Games and the first time hosting the Paralympic Games. These landmark events not only bring international acclaim to our region but also fuel significant economic growth and community engagement opportunities.

Throughout the year, we have remained committed to our mission of driving impact in the region, both economically and in our communities. Our supplier diversity program, LASEC Business Connect, connects local, diverse-owned businesses with opportunities and introductions to major LA-based events.

We hope to see you at many of our great events in Los Angeles in 2025.

Thanks for your continued support!

BUILDING LA'S FUTURE THROUGH THE STRENGTH OF LOCAL DIVERSE BUSINESSES

"The strength of local diverse businesses is the backbone of our local economy, and we must continue to support our business now, as we gear up for the major events that Los Angeles will host in the year to come."

Karen Bass, Mayor, City of Los Angeles

"Partnering with the LASEC Business Connect program was an excellent experience. Our team submitted our request and quickly found a vendor perfectly aligned with our needs. The CR&A Custom Inc. team promptly followed up with us, ensuring alignment with our overall plan and delivered a great activation."

Henry Rabello, Chief Marketing Officer, WSS

(Utilized Business Connect supplier CR&A Custom Inc.)

"The Business Connect program has been transformative for us, offering resources and opportunities that go beyond what we could access on our own. Through workshops, networking events, and targeted support, the program has equipped us with tools to grow more competitively and sustainably. It's more than a networking platform; it's a catalyst for growth that's strengthened our business, introduced us to diverse local partners, and helped us elevate the services we offer to our clients."

Jameela Baliwala, Founder, Woodland Warner Flowers

"The program's focus on mentorship and professional development has been invaluable. We've gained insights and strategies from experienced business leaders that have sharpened our competitive edge and improved our operational efficiency."

Mike Maldonado, President & CEO, Fourth Dimension Events

"Business Connect has been invaluable to Toss It Up, as it's opened doors we may not have accessed on our own. Through the program, we've gained exposure to larger events and contracts, like the U.S. Open, giving us a platform to showcase our services and build credibility in new industries. Business Connect has also provided networking opportunities with other businesses and mentors, allowing us to learn, grow, and gain insights from those with experience in areas we're entering. For a small business like ours, Business Connect has been a bridge to partnerships and resources that are helping us reach our full potential."

Javonne Sanders, Founder, Toss It Up
