January 20, 2026

We are pleased to present our 2026 Los Angeles Sports & Entertainment Commission (LASEC) Major Sports & Entertainment Events Calendar. With a growing number of major events held throughout the calendar year, staying on top of dates and locations can be challenging. This calendar is designed to support your planning needs by providing a clear consolidated overview of what's ahead.

The calendar includes events happening both in Los Angeles and major out-of-town events. For easy use, this calendar includes a list by name of the events we are tracking and is also sorted by month, helping you quickly identify key dates and avoid scheduling conflicts. We update this calendar annually, so please do not hesitate to share feedback or recommendations to help make this an even more valuable resource in the future.

Founded in 1995, LASEC serves as the non-profit organization officially designated to attract, secure and support high-profile sports and entertainment events in Los Angeles. For the past 30 years, LASEC has focused on securing major events that create a positive economic, cultural, and social impact that endures far beyond the field of play.

The Los Angeles region now approaches a stretch of major sports events unmatched by any other destination as we prepare to welcome a record seventh NBA All-Star in 2026, the 2026 Women's U.S. Open Championship, eight matches for FIFA World Cup 26™ including the highly anticipated U.S. Men's National Team Opening Match, Super Bowl LXI in 2027 for the second time this decade and the 2028 Olympic & Paralympic Games—L.A.'s third time hosting the Olympic Games and the first time hosting the Paralympic Games. These landmark events not only bring international acclaim to our region but also fuel significant economic growth and community engagement opportunities.

Throughout the year, we have remained committed to our mission of driving impact in the region, both economically and in our communities. Our local supplier diversity program, LASEC Business Connect, connects local, diverse-owned businesses with opportunities and introductions to major LA-based events. If you are planning to host an event in Los Angeles, either for your company, your community or yourself, we would appreciate it if you would give our Business Connect suppliers an opportunity to bid on your business.

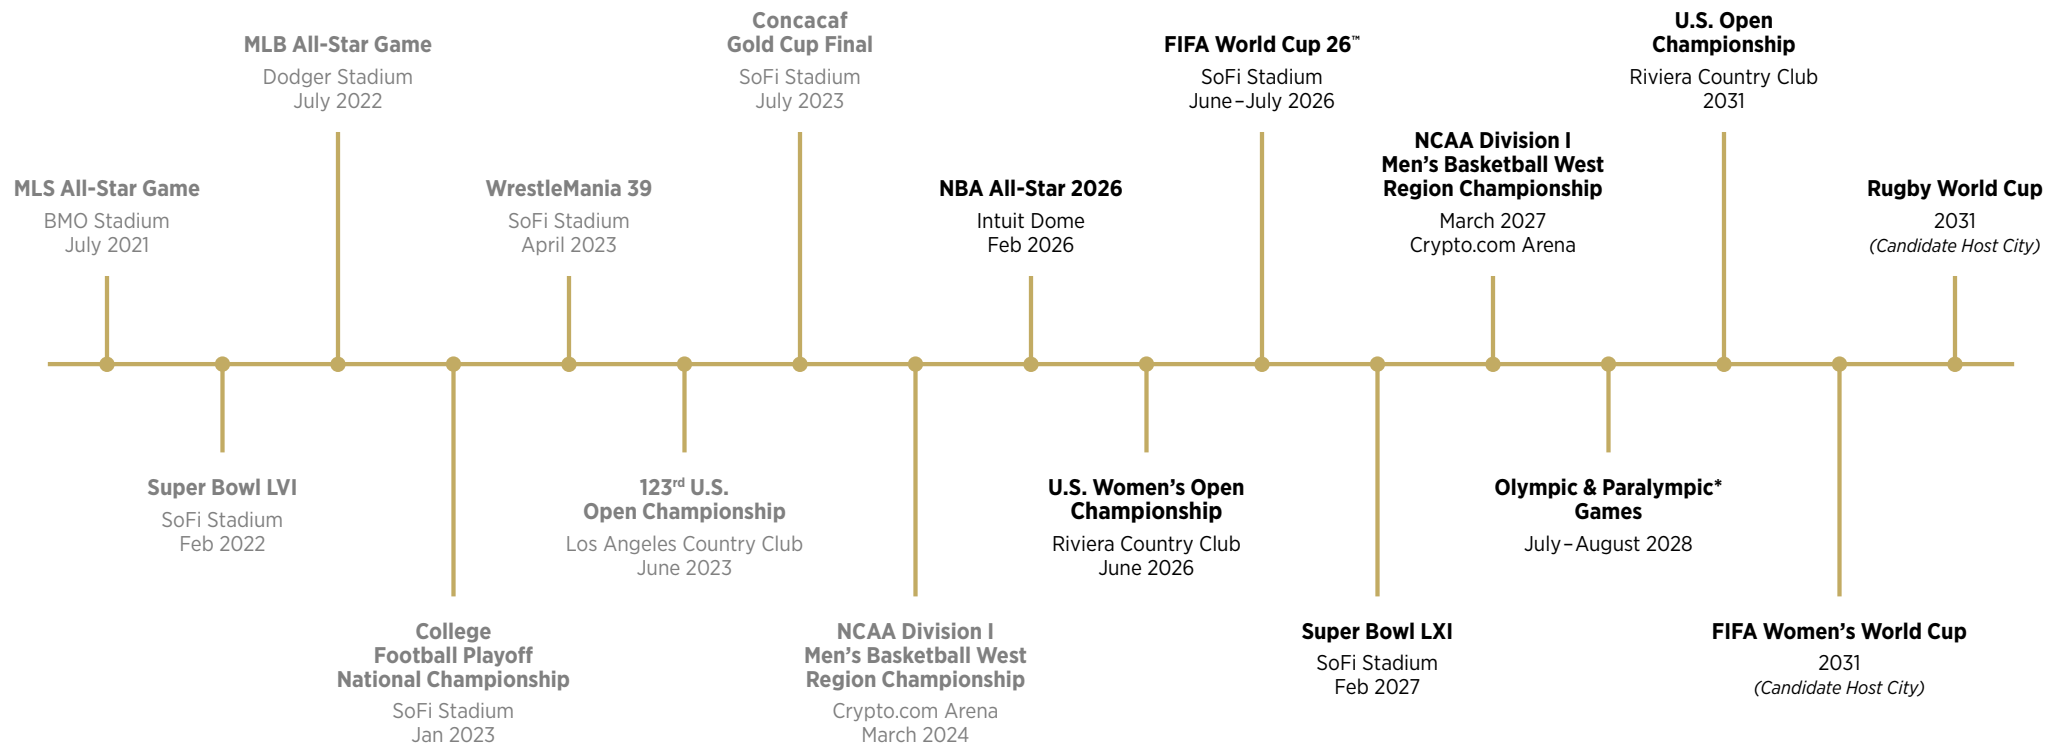

We look forward to seeing you at many of our great events in Los Angeles in 2026.

Thank you for your continued support.
